

TRACY UNIFIED SCHOOL DISTRICT AND
MICROSOFT PRESENT...

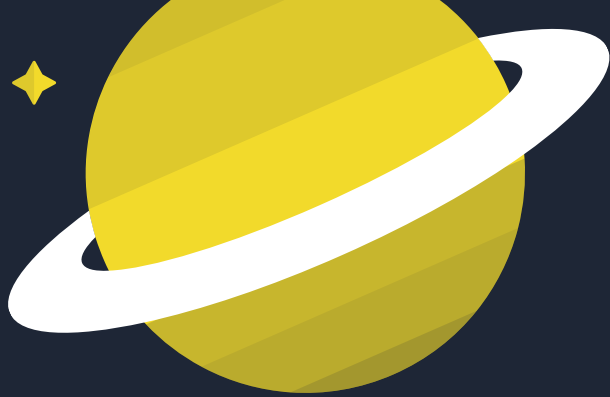

STEAM ACTIVITY OF THE MONTH: SPACE JAM

Get ready to learn, be amazed, and explore!

WHEN: January 26th and January 28th from 3:30 PM to 5:00 PM
WHERE: Microsoft Teams Live Event (links provided on the back)

Discover how video games are made and learn how to code your own game inspired by the new animated/live-action movie *Space Jam: A New Legacy* starring LeBron James and Bugs Bunny.

For more information, please see the back of the poster.

STEAM ACTIVITY OF THE MONTH: SPACE JAM

We are offering two FREE virtual student workshops--one geared towards lower grades while the other towards upper grades. ALL students are welcome to attend and participate.

- When: January 26th from 3:30 PM to 5:00 PM (ages 6+)
Link: <https://aka.ms/TUSDSpaceJamJan26>
- When: January 28th from 3:30 PM to 5:00 PM for (ages 8+)
Link: <https://aka.ms/TUSDSpaceJamJan28>

Students will learn:

- The key elements of a video game
- Which STEAM careers and skills are involved in game design
- How to design basic elements of their own game
- How to create a video game with block-based coding

FOR ANY QUESTIONS, PLEASE CONTACT THE PROFESSIONAL LEARNING AND CURRICULUM DEPARTMENT AT (209) 830-3232 EXT. 1550.
