Subject: 2022-23 School Bell Schedules

TUSD Families,

In preparation for the 2022-23 school year, we have some important information to share with you regarding school bell schedules for the upcoming year. Please see the updates below:

- All Early Release Mondays will transition to Early Release Wednesdays beginning August 10, 2022. Please refer to your child's school website for the 2022-23 bell schedules specific release times.
- All Transitional Kindergarten (TK) and Kindergarten classes will transition to full day district wide. Some school sites are currently full day and will continue in the upcoming school year. Please refer to your child's school website for the 2022-23 bell schedules specific start and release times. The state of California will implement the Extended Learning Opportunity Program for all TK-6<sup>th</sup> grade students in the 2022-23 school year and Tracy Unified School District is happy to announce this transition to our community.
- All Tracy Unified School District Comprehensive High Schools will transition to a daily late start time, beginning after 8:29 am. This transition is in accordance with the California Senate Bill 328. Please refer to your child's school website for the 2022-23 bell schedule specific start times, as they are different for each high school.

We recognize that a transition in school start times and release times is an adjustment for families. We hope that providing you with this information well in advance will assist you in preparation for a successful upcoming school year. As shared above, please refer to your child's school site webpage and/or school office regarding the 2022-23 bell schedules should you have any questions.

Sincerely,

Julianna Stocking

Associate Superintendent of Educational Services

Tracy Unified School District

209-830-3202
